Footnotes:

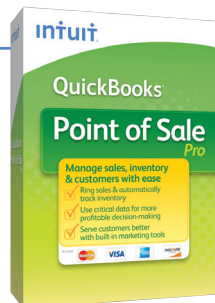

1 Integration with Word requires Microsoft Word 2000, 2002, 2003, 2007 or 2010

2 Intuit QuickBooks Point of Sale Merchant Service is required to accept credit and debit cards, sold separately. Application approval, fees and additional terms and conditions apply. To accept debit cards an additional PIN pad is required; sold separately. Details available at www.payments.intuit.com/posms. Terms, condition pricing, features, service and support are subject to change without notice. PIN Pad with signature capture sold separately.

3 QBFS and Payroll Service required. Sold separately.

4 QuickBooks Point of Sale only works with UPS. No QuickBooks fee for using shipping features, but UPS will charge their standard shipping fees for packages from within QuickBooks.

5 Windows Server 2003 & 2008 client-server networks, and Microsoft Windows/XP/Vista peer-to-peer networks. In either a multi-user or multi-store installation, every copy of Point of Sale must be the same version (ex. Version 8.0) and same level (ex. Pro), and every copy must be purchased separately.
